15) According to the New Scotland yard's letter of 9th June 29, there are 3 courses - 2 - Summer & 1 Winter - to be attended by the officers with probably an able course.

16) The period of training will commence from 27th May 1930 2nd Nov. -

17) I believe that - the cost of the deputation including the officers pay, family maintenance allowance & kit will be under Rs 10000/-

18) This is an optional item of expenditure - In view of the deficit condition of the budget and of the absolute necessity for postponing all expenditure which is not urgent, I would suggest that the question may be considered for the present.

19) If it is decided to provide funds in the next years estimates, the question of deputing an officer for the 1931 course may be considered at that date -

Final Note by the Second Member of Council.

Subject:— Deputation of Mr. C.M.H. Ranajodha Singh, Assistant Commissioner, doing duty as Superintendent of Police, Bangalore City and Taluk, to Scotland Yard etc.

2) In February of last year the deputation of Mr. T.V.A. Isvaran to the London Scotland Yard for training was sanctioned. Vide my Final Note dated 5th February 1929 and His Highness's orders dated 8th February 1929. But, as Mr. Isvaran left the department soon after, it was not given effect to.

2) This year, it is proposed to depute Mr. C.M.H. Ranajodha Singh Superintendent of Police, Bangalore City and Taluk, for being trained in Police administration ~~etc.~~ at ~~the~~ Scotland Yard, the course and period of training being the same as in the case of Mr. Isvaran. In addition, he will undergo training in Prisons Administration for which a fortnight's course is laid down.

3) The cost of the deputation is roughly calculated at Rs.4,000/-, though it may be a little more.

4) The Financial Secretary who was consulted in the matter is of opinion that the deputation may be deferred till after the next budget is framed, and that if it is possible to provide for the cost of this deputation in the next year's budget, sanction may be accorded after July 1930.

5) As the courses of training begin in May next and as it is desirable to depute an officer for training this year, the cost of the deputation may be found during the current year itself. But if this is not possible, provision therefor may be made in the next year's budget and the amount required this year may be treated as an advance and met from the next year's grant.

In the event of their being any difficulty in meeting the cost of my Deputation, I am prepared to go at my own cost. I am entitled to 6 months combined leave (4 months privilege leave and 2 months furlough on full average salary), and I will take all this leave, which is at my credit now. As I have already incurred large expenditure in this connection, I would be put to much loss and inconvenience, if I were to stop away now.

I request, therefore that the Government be pleased to kindly arrange for my admission and training at the Scotland Yard, when I am there. Sir,

I have the honour to submit the following representation of mine for your very favourable consideration and kind recommendation to Government for favour of sanction:-

I have been working in the Police Department for the last about six years and my work during this period has been very much appreciated by all the officers under whom I had the opportunity to work. It has been my ambition to acquaint myself with all the recent improvements in the technique of the Police work and thereby acquire a thorough knowledge of the Department in its various aspects, like the C.I.D. work, scientific method in the detection of crime, Finger print methods, Prisons management etc., etc., The acquisition of all this knowledge, I deem it essential, to make an efficient Police officer. With such comprehensive and detail knowledge of the work, it would be possible to improve the efficiency of the Department and effect other benificial improvements. Being solely actuated with this idea of improving myself and thereby acquiring the ability of being of more service to the Department, it has been for some years past my earnest desire to undergo training at the Scotland Yard, which gives the best raining in the world. The year before last I was very much near achieving my ambition.

3) While I am young and energetic and full of enthusiasm, it is my earnest desire to undergo training in foreign countries. The training in Scotland Yard would neither involve much cost, nor does it take a long period of time. I learn that the whole training is for 3 weeks only. If the Prison training also is added on to this, the whole course would be for about a month and five days. The return fare would be about Rs.1600/- only. In all the cost would not be more than about Rs.4000/-, which would be a very trivial amount for the Government to sanction in my favour. If the benign Government were in order to encourage me and considering the very low cost involved, sanction my deputation to Scotland Yard for a month and 5 days, I would also take this opportunity to visit the important places in Europe to gain experience of Police Administration in these countries. If the Government were to consider this amount of Rs.4000/- as too big, I am prepared to accept any smaller amount and suppliment the same with my private resources. I have all the leave at my credit.

4) So, considering the small period of time required and the very low cost of about Rs.4000/-, involved in getting the advantages of this training at a place renowned all over the world for Police efficiency, I again request you to kindly recommend my case strongly to Government to sanction my deputation this year to Scotland Yard. I am confident that the Government would considering the good work I have done in the Department and in accordance with the idea of training ~~xxxx~~ young officers in foreign countries, would treat my prayer sympathetically and sanction the deputation.

I have the honour to be,
Sir,
Your most obedient servant,

Mr. Ramsden has been a very zealous officer and of quite upright character. He has all along done very good work. He is young enough and will be the most proper officer for an opportunity being given to get trained in the Scotland Yard. His prayer deserves very favourable consideration

Proposal to depute Mr. C.M.H. Ranajodha Singh, Superintendent of Police, Bangalore City, for the Courses of Instruction for Senior Police Officers to be held at Scotland Yard.

Dear Mr. Madhava Rao,

Will you kindly refer to your demi-official letter No.Pol.1031/Pol.217-29, dated the 21st March, 1930, requesting that the admission of Mr. Ranajodha Singh to the Course of Instruction for Senior Police Officers to be held at Scotland Yard this year may be secured.

2. As was pointed out in the case of Mr.Isvaran (Vide my demi-official letter No.4016, dated the 4th February, 1929), it seems difficult to claim that Mr. Ranajodha Singh corresponds to a Superintendent of Police, as we know them in British India, especially as officers in the Mysore State are transferred from one Department to another.

3. At the same time if it is felt that Mr. Ranajodha Singh's deputation will be in the interests of the State and if it is proposed to employ him in improving the police administration on his return, it is possible that the Government of India might be disposed to treat the recommendation as a special case.

4.

4. Particulars regarding the Course of Instruction for the year 1930 have not been received from the Government of India, but I am to remind you of Major Evans Gordon's letter No.6785, dated the 15th August, 1925, in which it was requested that the names of such officers, as the Government of Mysore might desire to attend the Course, should be intimated to this Residency by the 15th February.

Yours sincerely,

S. Evans
